### Funding for FY 2020 Tribal Infrastructure Fund

**TRIBAL INFRASTRUCTURE ACT:** The Tribal Infrastructure Act (“Act”), signed into law in 2005, recognizes that many of New Mexico’s tribal communities lack basic tribal infrastructure, including but not limited water and wastewater systems, roads, and electrical power lines. The lack of such infrastructure results in poor social, health, and economic conditions in communities. The Act created the Tribal Infrastructure Fund, the Tribal Infrastructure Project Fund, and the Tribal Infrastructure Board (“Board”). The purpose of the Board is to evaluate project proposals and to award grants and loans to qualified projects. The Board is administratively attached to the New Mexico Indian Affairs Department (“IAD”).

Pursuant to the Laws of 2010, HB162, Severance Bonds for Tribal Infrastructure, the State Board of Finance shall allocate a percentage of the estimated senior severance tax bonding capacity each year for tribal infrastructure projects, and the state board of finance will issue severance tax bonds in the annually allocated amount for use by the Tribal Infrastructure Board to fund qualified tribal infrastructure projects.

This Notice announces the projected amount of **NINETEEN MILLION, EIGHT HUNDRED NINETY-SIX THOUSAND SIX HUNDRED THIRTY-FIVE DOLLARS (\$19,896,635)** in Senior Severance Tax Bond Funding to the Tribal Infrastructure Fund for allocation in the FY 2020 funding cycle. The Board will award grants to qualified projects submitted by federally recognized Indian nations, tribes, or pueblos located wholly or partially in New Mexico in accordance with Guidelines and Procedures adopted by the Board in November 2016.

**TERMS AND CONDITIONS:** The Board has set forth terms and conditions that apply to all tribes applying for project funding:

1. The Grantee must obligate 5% of the Adjusted Appropriation within six (6) months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation amount six (6) months prior to the reversion date.
2. All design and construction projects must be completed within thirty-six (36) months from the date of the execution of the IGA.
3. All projects delineated in the application as “planning projects” must be completed within twenty-four (24) months of the date of execution of the IGA.
4. Each tribe may apply for up to 15% of the total annual TIF allocation for a construction project. The Board reserves the right to alter this cap based on fund availability. The Board’s alteration of this cap must be made at a Board meeting no later than the second quarter of each calendar year.
5. Tribes awarded TIF funding are to attend TIF trainings required by IAD.

**DEADLINES:** To facilitate the funding process, IAD has established an online portal for the submission of TIF applications (TIFAs), located at <http://www.nmiad.us>. IAD will open the portal for tribal user access on **Friday, February 7, 2020, at 8:00 a.m.** The portal will remain open for TIFA submissions until **Monday, March 9, 2020, at 5:00 p.m.** In accordance with the TIF Guidelines, once the TIF portal closes, the TIF Review Committee (TRC) will review and select the highest-ranking proposals and invite tribes to present those proposals for approval before the Board at a formal Board meeting.
